On the contracted areas, the cooperator agrees:

1. To protect all contracted areas from unauthorized activities such as haying, mowing, shredding and/or grazing from April 1 to September 30 every year of the active contract. Unauthorized activities will result in forfeiture of program incentives.
2. To plant the pollinator habitat seed mixtures provided by the BBHF. 50% of the contracted areas to be planted using a honey bee seed mixture and 50% of the contracted areas to be planted using a Monarch Butterfly seed mixture.
3. Weed control on contracted acres from April 1 to September 30 must be approved by BBHF.
4. To post 2 project signs on each separate contracted area (signs will be provided by BBHF).
5. To permit BBHF representatives access to the property and contract information necessary for monitoring, inspection and project review purposes.
6. That renters or lessees of property may only enter into agreements if such rights are granted with owner consent.
7. Violation of contract requirements results in forfeiture of past and future incentive payments. All contract payments, incentive payments and seed mixture costs received shall be reimbursed to BBHF.

On the contracted areas, BBHF agrees:

1. To provide a honey bee seed mixture to the cooperator for 50% of the contracted acres and to provide a monarch butterfly seed mixture to the cooperator for 50% of the contracted acres. Seed mixtures are designed by BBHF biologists to maximize program and wildlife benefits and are to be planted in two separate plantings.
2. To provide 2 project signs for each separate contracted area for posting.
3. To provide guidance on site preparation, planting and management of *Seed A Legacy* projects.

Either party may terminate this contract with 30 days written notification. Modification to this contract must be made in writing and signed by both the Cooperator and BBHF. If program funds are discontinued, BBHF may void this contract.
